Experience

Part time work July 2003 – present

Kings School Kids Day Care

5901 Library Road

Bethel Park, Pennsylvania 15102

as a Assistant Group Supervisor and active Illustrator.

Currently designing children's black and white coloring pages and activity sheets for website.

Freelance work Sept 2007 – December 2007

Professor John Bavaro

425 North Craig Street, Suite 302

Pittsburgh, Pennsylvania 15213

as a Freelance Graphic Designer

Designed book mock-up, query letter, proposal page, contents, forward and 3 essays.

Internship January 2007 – May 2007

UPMC Corporate Communications

as a Graphic Designer

Pittsburgh, PA

Designed a variety of printed material including ads, direct mail pieces, posters, brochures, t-shirts, magnets and logo designs. Attended photo shoots, viewed printer proofs and worked with writers and clients.

Design Practicum

August 2006 – December 2006

Students compete for entrance into course.

Worked with clients and on teams with other student designers, also worked with printers.

Designed and illustrated a poster for a concert held by the Blasco Memorial Library in Erie, PA.

Managed/represented designers of other posters.

Also acted as printer/client liaison for poster projects.

Worked on a 208-page published book with a team of three other student designers.
